Dear Parents, Carers and Students

Year 11 Update

The students have completed the first week of their terminal assessments and we are now preparing them for their final 'mini exams' which are taking place in the week beginning 17 May.

In the following final whole week leading up to half term, we will be collecting any additional essential evidence, prior to collating all the evidence together and determining our Centre Assessed Grades. We also need to ensure that we have completed all the necessary paperwork, which includes the Authentication Forms and Mitigating Circumstances Forms, which are being shared with students this week. All relevant documentation, should you wish to refer to it, can be found on our website, and is accessible via the following link:

Year 11 Important Dates

28 May 2021	Formal teaching of Year 11 students will cease. We may contact a small number of students after half term if there are gaps in their assessments, but we hope to get everything in place prior to breaking up for half term.
31 May 2021 to 4 June 2021	Half Term
11 June 2021 (Half Day)	Year 11 students are invited back into College to hand in any textbooks that they may have and to attend an "End of Key Stage 4" celebration assembly. Mrs S Barnes will send out details about this.
28 June 2021 to 16 July 2021	To make up for the loss of learning due to Covid-19, we are running a programme of Post 16 introductory lessons. Mr D Dudley has written to you about this. I want to emphasise that this programme is open to <u>all</u> of our current Year 11 students, including those who have chosen to pursue similar courses elsewhere as we believe that it will provide a useful foundation for future study.
2 July 2021	Tregenna Castle is booked for our Year 11 Prom this year and we are very hopeful that this event will be able to take place. Mrs S Barnes will provide an update on this.
12 August 2021	GCSE and BTEC results will be available on Thursday 12 August.
12 or 13 August 2021	There will be the opportunity for students to meet with a member of the Post 16 team to confirm their courses choices. Please note that we cannot provide any information on grades awarded to students prior to the official results day.
Autumn Term (Date to be Confirmed)	We will be arranging a prize giving evening in the Autumn term to recognise the achievements of students.

Some good news to finish on, Covid-19 has obviously disrupted many events and activities throughout the last 14 months, including our appointment of student leaders. We recently began a process of appointing a student leadership team from within Year 11 and I am pleased to announce that Ella Marquis was appointed as Head Girl and Kaitlyn Standing and Maggie Wiltshire were appointed as her deputies. The roles will continue into Post 16 for the very busy autumn term, when we hope to host a number of our traditional public events. During that term, we will consider ways in which we can engage more students with opportunities of leadership in order to grow the student leadership team.

Many thanks and best wishes.

Yours sincerely
