16<sup>th</sup> November 2021

Dear Parent/Carer

**Virtual Reality Space Workshop**  
**Monday 13<sup>th</sup> December and Tuesday 14<sup>th</sup> December 2021**

I am thrilled to announce an exciting opportunity for our Year 7 and Year 8 science students due to take place on Monday 13<sup>th</sup> December and Tuesday 14<sup>th</sup> December 2021, here at Helston Community College.

The Education Group will be running a virtual reality Solar System Workshop to complement the work that students have been doing on the subject of Space. The workshop will enable students to be transported to far reaching locations; the whole class will simultaneously blast off into space, pilot their research vessels around planets and moons, and learn about the solar system.

Places on this workshop are limited and will be allocated on a first come first served basis. Please therefore complete and return the reply slip below by **Thursday 2<sup>nd</sup> December 2021** at the latest to secure a place for your child. If you do not have access to a printer, hard copy letters may be collected from North Site Reception.

Please note that there is a voluntary contribution of £3.70 for this workshop. If you would like to make a donation, please go to your ParentPay account where payment may be made.

If you have any queries please do not hesitate in contacting me ([jallen@helston.cornwall.sch.uk](mailto:jallen@helston.cornwall.sch.uk)).

Yours faithfully

*J Allen*
